Dear Primary 1B – I am very excited to be your teacher next year! I know it is a little bit scary coming up to Primary School, but I shall be there to welcome you on your first day with a great big smile. I am really looking forward to getting to know you and hear all about your summer holidays. We will do lots of fun activities to help us get to know each other, get used to being in school and make friends. I can't wait to meet you all and I hope you have a lovely summer! X

Some fun facts about me!

I have a very lovely and large dog called Finn.

I know how to ride a sledge with huskies through the snow.

A little bit about me:

I love going out on lots of walks with my dog Finn. We have recently started trying a bit of wild swimming in the sea! I love cooking tasty food and getting to spend time with my family and friends. I really enjoy being creative and learning new things so we shall have lots of fun in Primary 1 together trying and learning new things together.
